

MVCC February - August 2026

- The purposes of moving most church activities and gatherings during the week to Wednesday is to:
 - ◆ Create consistency and to cut down on possibly any confusion.
 - ◆ It will become the norm to know Wednesday night as a church night.
 - ◆ Also, to have families only meet one night of the week, keeps different members of a family from being pulled away multiple nights of the week. This will lead to more family time and family worship. The importance of giving time to this cannot be overstated. Husbands must pastor their homes and families need worship the Lord together.
 - ◆ In a vision for the church, which is to be further explained at a later date, opening up more evenings during the week, can increase our time and energy to worship the Lord through hospitality to families on the fringe and families in need of salvation.
- There is flexibility on Small/Fellowship Group gatherings. Location for these can be outside of the church and is even encouraged to be at times.
- This Schedule can also be changed if need be after a try for sometime. If there is a need to change something, it will be prayed over and considered when thinking of the needs of the congregation. In all that we do, may God's will and glory be of utmost importance.
- Our next Schedule send out will pick up with August as it is incomplete at this point in time.
